CS302: Saylor Direct Credit Final Exam

✓ Done: Receive a grade ✓ Done: Receive a passing grade

Closes: Sunday, January 31, 2027, 11:59 PM

This exam is part of the Saylor Direct College Credit program. Before attempting this exam, review the [Saylor Direct Credit page](#) for complete requirements.

Essential exam information:

- You must take this exam with our automated proctor. If you cannot, please contact us to request an override.
- The automated proctoring session will cost **\$5**.
- This is a closed-book, closed-notes exam (see allowed resources below).
- You will have **two (2) hours** to complete this exam.
- You have up to 3 attempts, but you must wait **14 days** between consecutive attempts of this exam.
- The passing grade is **70% or higher**.
- This exam consists of **60** multiple-choice questions.

Some details about taking your exam:

- Exam questions are distributed across multiple pages.
- Exam questions will have several plausible options; be sure to pick the answer that best satisfies each part of the question.
- Your answers are saved each time you move to another page within the exam.
- You can answer the questions in any order.

Allowed resources:
Gather these resources before you start your exam.

- Blank paper

What should I do before my exam?

- Gather these before you start your exam:
 - A photo I.D. to show before your exam.
 - A credit card to pay the automated proctoring fee.
 - (optional) Blank paper and pencil.
 - (optional) A glass of water.
- Make sure your work area is well-lit and your face is visible.
- We will be recording your screen, so close any extra tabs!
- Disconnect any extra monitors attached to your computer.
- You will have up to two (2) hours to complete your exam. Try to make sure you won't be interrupted during that time!
- You will require at least 1mbps of internet bandwidth. Ask others sharing your connection not to stream during your exam.
- Take a deep breath; you got this!
